To Vilius Navickas
Mayor of Vilnius

Dear Mr. Navickas,

We are pleased to thank you for the warm reception of the delegation from the Dnipropetrovsk City Council, which was in the city of Vilnius on the occasion of participation in the International Forum of Mayors' Culture as a Driving Force in City Development.

During the Forum the representatives of the delegation had the opportunity to discuss the main social problems connected with the city's development and also were able to have a creative look at the growing role of culture in the city's development.

Hope, the friendly relations and fruitful cooperation between our cities will be continuing and further.

Sincerely,

Mayor of Dnipropetrovsk

Ivan I. Kulichenko
